

# The UGA Equestrian Booster Club

## Purpose of the Mane Dawgs

The Mane Dawgs Booster Club is an active and supportive group for the University of Georgia Women's Varsity Equestrian Team. The Mane Dawgs Booster Club is involved in many activities that help generate support and enthusiasm for the 5 time VENC national championship team!

## Mane Dawg Contributions

The Booster Club uses your membership dues to provide additional funding during the season for things that are not covered by the Athletic Association. Some past examples include:

- Year End Awards Banquet
- Personalized Senior Awards
- "The Coaches' Wish List"
- SEC and National Title Ribbons
- Organizing meals for both home and away competitions
- Items needed for our new facility
- Merchandise for the team

## Joining the Mane Dawgs

The Booster Club would like to invite you to become an important part of the UGA Equestrian experience and help provide needed materials for the team! Your membership will help insure that our team members and coaches have what a championship team needs to help it continue to be successful!

There are many membership opportunities at different levels. You may also choose to sponsor a rider or a horse from the team.

## Please Join today!
